The Story:

I've been a long long time punter.12 years in fact.. and this by far was the worst in 12 years.She's plain nuts,and not in anyway a good way. giggles for no apparent reason at all and goes off on all sorts of inane discussions, oral was okay,when i got her round to it, and in that she stopped to have a sneeze ON ME and then a several swigs of apple juice, because she was on the sauce the night before, I'M NOT JOKING. she kept popping out of the room to have a look on what her flatmate was up to and was terrible at a requested massage.

avoid avoid avoid. there are much better in london, and from the same agency
