The Premises:

Head Office is an exceptionally nice parlour, very smart with a lovely friendly atmosphere.

The Lady:

Wow - Tiffany is a gorgeous slim blonde, and probably really is her claimed age of 18. Her poses on the parlour web site don't do her justice.

The Story:

Second visit to Tiffany within a week, so booked a full hour to savour her delights, and I wasn't disappointed. Tiffany's first act on entering the room is to give a welcoming kiss, the second to strip and show off her beautiful pert tits and smooth shaven pussy. The rest, well it just kept getting better, oral without, 69, reverse oral to an apparently well enjoyed climax, sex in several revealing and erotic positions to a further climax, and kissing and friendly chat throughout. Finished with oral and my own finale as we kissed. Will I be back, absolutely, but getting a full hour may be difficult after letting everyone else into this beauty's secrets.
