The Premises:

Nice establishment, very clean and felt very safe. Owner is always happy and welcoming.

The Lady:

I picked Sam who was slim tall, brunette, about mid 20's, slightly sagging breasts, stretch marks and a slight stomach. Seemed to be Russian possibly but very good English. Ave attractive level.

The Story:

In the room she was polite, and proceeded with a back rub and massage on my bum and balls etc... very nice. However no really passion not really a GFE, seemed distant and not in it to please really.

Turned over much of the same, gave covered BJ, average, no French kissing and no really touching of the pussy. Had sex from behind. Fishy smell of her pussy was quite strong, something perhaps not quite right down there. A bit off putting.

Overall not really worth it. Wont be returning to see her. I hear Paris is great, may try to see her.
