The Premises:

A good area that was safe for parking and felt very safe, very easy directions to get there. The house was being refurbished but was remarkably clean. Always a good sign when a place is kept so well.

The Lady:

Victoria is a larger lady and very tall. She has black hair and is very cuddly with great tits. A lovely smile and lips that "suck you in", a great package.

The Story:

Was welcomed by Victoria in a business outfit and she made me feel very welcome. We headed straight up the stairs and dealt with the necessary and I had an opportunity to freshen up. Victoria asked me what was on my wish list and after some chat we got on with the business end with great kissing that was passionate and warm. This led to mutual oral and Victoria takes you nice and deep paying attention to all the details. After relieving my great load we had a moment to cuddle before round 2 which consisted of sex in several positions.

This lady is a great find and took me to heaven and back. This lady made me want more and I will be returning as soon as I am able. The oral was majestic, the kissing delightful and the sex deep and meaningful. By far my best punt yet.
