### The Premises:

Nice clean flat in the Merchant City, plenty of parking nearby, and certainly felt safe.

### The Lady:

Savanna ia a tall, attractive blond lady, welcoming smile and great personality.

### The Story:

Slightly nervous as I havent visited a lady for a while and always a bit nervous ona first visit, especially to a private flat. However Savanna welcomed me with a wonderful smile and quickly put me at ease, made me feel very comfortable and offered me a drink. She allowed me to set the pace and I was very eager to get down to the fun stuff, I know its a well used cliché but this really felt like a girlfriend experience, plenty of kissing, and it all felt very natural. I wasnt into anything too adventurous on a first visit but was more than satisfied looking up at Savanna as she rode me to a climax. Afterwards we chatted for a while and I probably staid a bit longer than the hour I had booked, as there was no pressure to get my kit on and go.

Savanna is a lovely lady, sexy, easy to talk to and great fun to be with, I will definitely be back :-)) and look forward to seeing her regularly.
