The Premises:

Swish appartment on Chelsea embankment; ghastly pop video playing on arrival. Sadly, unlike for 'Relaxed', see PFR 71004 (to whom my thanks for his introduction), Kristina's flatmate was at home so our activites were confined to her smallish basment bedroom.

The Lady:

Gorgeous, gorgeous, - pretty as a picture. Her photos do not lie.

The Story:

Could not be more keen to please. Any good reviews you read about her are, from my experience, totally true. The touch of her lips and mouth for a bbbj is exquisite. She made a huge effort to get me to perform for round 2. Please go and give her money - I think you will love her.
