The Premises:

The Head Office is receiving some very good reports on this site, the reason being in my opinion, is that it's a first class establishment.

Bright, ultra clean, friendly, comfortable, you could go on, and this place is the model all parlours should strive to reach ?really ? that good.

As for Fiona, whom I suspect is the ?Boss Lady?, what a sexy woman, if only Fi could be persuaded to work!!

The Lady:

Pictures on the site show Honey as she is, but fail to show what a stunning looking woman she is. Everything about Honey is boarding on perfect, a sexier, seductive punt you?ll struggle to find.

The Story:

Having showered & dried, I lay on the bed watching a good porno; Honey entered wearing black lacy bra & pants.

She looked so innocent, but so sexy; almost slightly shy to start with, this was soon lost. What followed was a mixture of pure lust, and a true GFE.

A half-hour of absolute pleasure with a gorgeous young woman, who really knows how to pleasure a man.
