An absolute stunner!! Her photo's on the website are pretty good, but she is even better in the flesh.Great womanly curvy figure but in a petite feminine way.

The Story:

I had a bit of time to kill in London saturday so made an appointment ot see Jessica at the Retreat. I must admit I have a penchant for blondes usually so a brunette would not have been my first choice.Anyway I was not disapointed in the least, she is gorgous , really sexy and feminine. Offered a drink by the maid,(the staff here always make you welcome) and then Jessica came into the room looking fab in a short dress and high heels. She took her time discussing my session which was to consist of a sexy tie and tease and anal play on me. I left it to Jessica to decide how we finished. I was spoilt for choice with the outfits on show but chose a tight rubber dress for her to wear. The full details of what went on in the room are for myself and Jessica but the session was great ,she did all I asked for and more. I went about my day later with a very smug smile on my face.I have nothing negative to report on this establishment and look forward to visiting again sometime when I can.
