The Premises:

Small parlour on the Hartshill Road which doesn't look much from the outside, but inside it is a very clean and smart place with a very discreet rear entrance. I was impressed. I parked in a side street which was a two minute walk away. No worries.

The Lady:

The website pictures only hint at how Peaches looks. She is early 20's, slim and leggy with fantastic breasts, long straight hair and closely trimmed pussy. The words 'fit' and 'babe' come to mind.

The Story:

After a few minutes wait in reception with drink and a chat with a croaky Tiffany, who was suffering from a throat infection, I was shown upstairs to one of the rooms. As stated above, the whole place was very clean and very smart (I thought I was back at Sandy's) and I had a shower and waited for Peaches.

She entered the room wearing a red cut-away mini dress which showed off her wonderful cleavage, slim waist and slender legs - superb!

The dress was soon peeled off as I lay on the bed for the back massage with talc, after a while I opened my legs so that she could fondle my tackle which got things stirring. A quick chat discovered that she provides only two 'extras', OWO and RO both for an additional £10 each.

I then turned over to fondle her wonderful, soft breasts before she went down to give me OWO. It was my turn to get my tongue into action, so after sucking her nipples I worked my way down between her thighs and lapped away on her clit while I slipped a finger into her tight pussy.

After a few minutes, her facial expressions and her twitching body told me that she came. Peaches is not a girl for the porn star moans and screams when she has an orgasm. As stated in other FRs, she is a very quiet girl and it is difficult to make conversation with (although obviously that's not why we go there) and it could be misunderstood by some people but I guess she is just naturally quiet. Having said that, I could not fault her efforts even though my performance was not at its best!

Aware that time was nearly up and after some more OWO, I decided to finish by giving her D cups a good soaking and shot a copious amount of spunk onto them ? fantastic!

I may return here in the future, apart from Peaches there are a few more babes worth a visit, I've put Chloe and Honey on my list to do!
