The Premises:

Nice and clean, with a good shower on the 4th floor of a building a few minutes walk from Gloucester Road tube station. Nice area, and quite safe, especially at the time of the visit.

The Lady:

Pretty much as in the pictures in the web site. Beautiful, tall, long black hair, fit, with small A/B sized cups with a very nice smile and good body.

The Story:

I had fancied her pictures in a couple of sites for some time, and positive reports on the Barracuda site encouraged me to see her - I was not to be disappointed. She is very friendly and extrovert, and immediately made me feel welcome and at ease. More a GFE than a PSE, this is what I was looking for. Good BBBJ, but not to completion, followed by sex in my favourite position - doggy. Second helpings were on offer, although she seemed a bit surprised. I would give her 10 out of 10. She was exactly what I was looking for - a friendly unhurried experience with a beautiful girl that comes very close to my ideal woman physique, with a very warm personality. I recommend her, and would see her again, even risking being hooked.
