The Premises:

Easy to find with directions, street parking could be a bit of a problem. Place itself was clean and felt safe.

The Lady:

Lauren is a 23 year English blond with a size 10 body 34D breasts and a great friendly chatty personality.

The Story:

Phoned before I went and liked the sound of Lauren, as the place is a bit of a distance called again when nearer to check availability and was told available in about 15mins. Turned up 20mins later and she was available. Everything here is spelt out on a piece of paper so you know exactly what you're getting for how much. Went for the ?70 OWO with Sex.

After the initial kiss and cuddle we undressed each other and following more kissing Lauren proceeded with the massage, utilising her natural assets. This was performed on both my back and front to my delight. Proceeded to OWO which Lauren is an expert at. I kept having to ask her to slow down or stop to ensure the session didn't finish too soon. 69 was then suggested by Lauren which agreed (of course) until I had to get her to stop the OWO altogether. Sex followed in a number of positions. Lauren remained chatty whilst we cleaned up and got dressed.

Lauren is a great girl and I would definitely return.

The only disappointment was the maid knocking on the door after about 25mins. Got the feeling Lauren wasn't that impressed by that either!
