The Lady:

chanelle was in her early twenties a very stunning polite young lady with a curvy size 10 figure she was dressed in casual but smart clothing but underneath she had very sexy underwear. she was very friendly and fun to be with and even offered me a tea or coffee before we started

The Story:

we started in the room with a sensual back massage she was very freindly and made me relax straight away and her boobs were just perfect size dd (i think), she then started giving me some amazing oral followed by her wanking me off while teasing my balls with her toungue i was tring to hold myself back then she started to mount me pulling off her sexy black knickers and gave me the best sex of my life!! would defently recommend her to any one who wants a good time
