The Lady:

Looks different to her photos on the website. Blonde, slightly bigger girl, with lovely breasts, a very friendly manner, and wonderful eyes

The Story:

Dropped to her knees and had my cock in her mouth almost immediately after my shower. She clearly loves giving head. Asked me to move onto the bed, so that we could be more comfortable. She soon had that tongue working in places a lot girls would not venture. Very erotic. She continued her firm but excellent blow job until I emptied my load into her willing mouth. After swallowing she said "that was a lot"

She then gave me a lovely firm massage back and front and it wasn't long before she had my cock down the back of her throat. This Russian lady from Minsk could suck for England.

It wasn't long before I was easing myself into her warm wet pussy, and she met my entry with eager acceptance.

A nice long hard slow fuck was had before I emptied my 2nd load in an hour into her.

Afterwards a nice relaxing cuddle - this girl was in no rush.

Excellent punt
