The Premises:

Flat in central Westbury. Will soon be moving to Warminster. Felt like a safe area and flat. It was clean with a bathroom and tidy bedroom. I arrived late because of traffic but Ashley was fine with it and we rearranged to 50 for 45 minutes instead of 60 for the hour.

The Lady:

Ashley is a mature ample woman with great tits and a nice bum and legs. She greeted me in high heels stockings and basque. If you like your girls young and skinny then Ashley is not for you. If like me you like a real woman then give her a try. I will be back.

The Story:

Ashley offered a massage to start with but I as I'd lost some of my hour (my fault) I didn't want to wait to start exploring her inviting body. We started with some owo, some licking of her great tits (she seems to like that) and a prolonged period of reverse oral with a finger inserted for good measure. She really did respond to that attention becoming very wet as well as tasty.

For the record she doesn't do anal - no problem for me as there's plenty else to play with.

This was followed by more attention to her tits (they deserve it) and then on with a condom. She got on top in both directions and then a go at doggy. She finished me off between her breasts.

It was a session that I really enjoyed, Ashley is friendly, chatty and anxious to please and she certainly succeeded. I look forward to returning.
