The Premises:

Modern second floor flat in residential area at the North end of the town. Free parking outside, safe area.

The Lady:

About 5' 8", not slim but not fat, possibly 38B/C with nice body for her age - probably mid/late fifties.

The Story:

As this was my first visit I had to call from a particular phone box and was directed to her flat which was a short drive. Welcomed by Pearl and into the living room for a drink and chat. Then into the bedroom to strip off and onto the bed on the floor. The massage was more of a gentle back rub. Turned over and then (covered) oral to get me stiff - doggy - oral on her - more doggy and mish. Cleaned me up after and had a chat. A pleasant, chatty (perhaps too much for some) woman who will give you a relaxed hour. But I found it all a bit mechanical. She does not kiss. She only sees men over 40.
