The Premises:

Nice sized room in a flat I believe she may share with other girl. It is nice and easy to get to.

The Lady:

Yuki is an exotic Japanese girl who is tall, slim and sexy, with long hair, sexy lips and a great pussy.

The Story:

My time with Yuki was fantastic. From the moment she let me in she made me feel comfortable and put me at ease. Some deep french kissing to start, she is great with her tounge and one of the best kissers I have met, and then off with the clothes and she sucked my cock so deep and perfectly I didn't want it to end. Well I came after a while, then a massage followed before the sex which was as good as everything else. This girl is going to be hard to forget and I hope I haven't developed an addiction to her. I will be back.
