### The Premises:

Karens is looking a little worn around the eyes, but is still comfortable and friendly enough. Like an old pair of slippers.

### The Lady:

30 something pretty Manc lass. Curvy in the right places, lovely heavy breasts that just die to be fondle and stoked. Shaved below.

### The Story:

This was my second session, had to return to make sure the first wasn't an accident. How this girl isn't reported on more I never know.

Her attitude in the room is fantastic and the service mindblowing. Her OWO is great, and all the time letting you move the pace , or she moves it on if she thinks you're hanging back.

Started with OWO and nice ball licking. Moved onto the bed and more OWO, snogging, fingering and then she stuck a dildo up my arse on full vibrate and sucked me again. This was very intense as it moved against my G spot.

She then mounted me and rode me cowgirl to cum, all with this vibrator buzzing away.

Great service from a great girl.
