### The Premises:

Based within 2 separate flats, I visited the upstairs flat. The girls (2no.) were introduced to my, both of them were very attractive. The room was very clean and tidy with a modern decor & large screen TV. Plenty of on street parking in a quiet residential area.

### The Lady:

Lisa was very friendly and will make you feel relaxed. she is an attractive mid to late 20's with a nice pair of tits (check with web site). She offers all service that are on the menu, along with some additional specialist services that are not listed.

### The Story:

Prices start from ???50 for the basic massage & personal service, going up to ???150 depending on what you want. I spent ???90 which included a few of the extras, and had a very enjoyable unrush time. Highly recommended, worth a visit.
