The Premises:

Crouch End Sauna in heart of Crouch End. Very visible entering. Parlour is very standard. Walk in and there are usually 5 to 10 girls - many eastern European. Rooms have massage tables rather than beds.

The Lady:

Said she was 24 & 'Italian'; a lovely figure - not a stick insect with nice breasts and highly attractive. Spoke moderate English. Very friendly

The Story:

Often hit and miss at these parlours. But Francesca was a winner. Friendly from beginning to end. A good massage concentrating between the legs. Great covered oral technique with lots of eye contact. Sex in mish was great ; held me tight. I often have problem reaching climax with working girls but no problem with Francesca. She works Friday, Saturday and Sunday
