### The Premises:

As previously reported, close to the station, easy parking outside.

New carpets since last visit and best of all the new beds have been installed, the room we used had a corner bath and shower.

### The Lady:

Kelly is early 20s with long dark hair, 34B tits and very shapely legs with a 2" dark landing strip leading to a very sweet tasting pussy, in other words she is sex on legs.

### The Story:

Kelly opened the door wearing a short black seethrough slip with a very skimpy black Bra and an even skimpier thong showing most of what was on offer to me.

I followed her up the passage to the room admiring her shapely legs and bum as I walked behind her.

Once in the room we settled the paper work and she told me to undress and wait for her as she left the room, and returned a few minutes later with me standing naked just inside of the door.

I slid behind her and started to undress her letting her small amount of clothes fall to the floor in a heap at the same time caressing her body from her lovely tits to her sweet juicy pussy.

As I had asked her to give me a massage and a nice wank to start with she told me to lay on the bed face down and started to massage me using oil as I had asked. The massage was very good as she worked her way down my back and reached my bum where she played with my arse sliding a finger into me before opening my legs to play with balls.

She was suprised to find they were nice and smooth and after a while asked me to turn over to be greeted with my totally hairless cock and balls looking at her. She said this is novel and took hold of my cock and started to wank me off at the same time licking my balls, this felt so good and it wasnt long before I started to twitch and groan as she brought me to big climax shooting my cum over her hands, so I took her hands and licked them clean for her.

We lay together for a while carressing each others body's and slowly my cock came back to life. It was now time for me to taste her pussy

and as I began to lick her, her pussy juices started to flow and she began to groan and push her pussy hard into my face, it wasn't to long before her hips started to thrust up to my mouth and she shot her cum into my mouth with a loud shout which made one of the other girls knock on the door and ask if she was alright and she shouted back yes I am just enjoying myself and I have just had a massive climax.

My cock was still hard so I asked her to ride like a cowgirl and it was wonderful watching her tits bounce up and down and sucking on her hard nipples as she rode me to a frenzy. She lifted herself off me and let me wank myself until I shot my cum over her tits and then let me lick all off.

We kissed and cuddled as we sorted our clothes and got dressed after which she walked me to the door and kissed me as I left well fucked.

Thank you Kelly I must come back for more of the same.

This was a very good punt and well worth the money.
