The Premises:

as per previous reports go to flat via stairs at back of building
clean, relaxed etc, locks on doors on inside.

Was concerned why locks on outside of doors as well! Was this to keep people in??

The Lady:

Thai, long dark hair slim, small breasts suppose to be 19 but more like 30 ish. Having spent time in Thailand know these ladies well as they do look younger.

The Story:

The lady was pleasant enough but was just business nothing else.

I suppose the problem was I was told a description age etc of one lady but got there and no such lady!!!

This is 2nd time this has happened at this place!! so I will not be going again.

Others may like it as rate is cheap compared to others.
