I've not been here for a long while and was itching to see Prea who was showcased on the website. Sadly she was busy and Zeena was there in a maid/WG role. I've seen her in the past and was not disappointed.

I paid for 30 mins full-personal (?80) and then added on reverse oral and kissing for ?20 more.

Started off with some kissing (no tongues) and some light foreplay. She then started sucking me off and then positioned her pussy on my face so we were in a 69. After a while she rode me cowgirl and was jumping up and down hard and made me cum hard!

Zeena is lovely and I recall having seen her before. An excellent punt and highly recommended to all. Note she works Mondays and Wednesdays.
