The Premises:

entrance very discreet down side street near to church through a green door, felt very safe. once inside very nice surroundings

The Lady:

scarlett has lovely long red curly hair with gorgeous tits i dont know what size but hey they felt really good, she`s in her mid 30`s i guess

The Story:

she started off and gave me the best massage i have ever had this really turned me on following this she started to slowly strip taking her time and bending over just out of reach slowly removing her thong which again really turned me on so much that when i got my hands on her we went into fantastic raunchy sex in all positions with me exploding with complete satisfaction this scarlett is a woman to be visited again and again and again!!!!
