The Premises:

Typical small terrace house type parlour on Hartshill Road. Discreet rear entrance, but on a steep hill, I needed oxygen by the time I got there! - next time I'll use the front door. Inside is exceptional. Nice and smart, clean and with a good atmosphere - could have been someones home. Parked in a nearby side street. Hartshill Road is a busy through road - safe as any.

The Lady:

Personally - damn near perfect I would say! Wow! She is gorgeous with a lovely smile, wonderful sexy eyes and a figure that could not be better. Skin is lovely and smooth. Blond hair, about 5ft 6ins.

The Story:

I was very nervous before this encounter (I am not a regular at this sort of thing) - and walked past the damn place at least 3 times before plucking up the courage to go in. However, once inside I was able to relax a bit. Tiffany was simply brilliant. So natural, very easy to speak to and you could tell she was absolutely genuine.

She made me feel very welcome and was eager to ensure that I had a good time - which I certainly did.

She started with a warm welcome and kiss, and when I left I got a warm hug and kiss. I am not going into detail of what happened in between, suffice to say that if it were at all possible I would have picked her up and brought her home with me so that I could keep her all to myself! In my book, you'd be hard pressed to find anyone better. This girl is special. (There you are Tiffany - told you I'd do it! See you again soon - Harry x)
