The Premises:

Babes at Bury is a nice place, good size reception, just doesn't quite have the atmosphere that the Swinton branch has. Overall though, good standard and safe parking with discrete entrance.

The Lady:

Jo Jo is 19 but could easily pass for younger, she is very pretty and has an innocent look about her. She has a lovely smile and a very cute laugh.

The Story:

Jo Jo is one of the best GFE ladies that I've visited, she's very pretty and has the most fantastic body, she tastes sweet when receiving RO and when she's giving oral, well, for me this was the best I've had. She does this thing which I guess is basically deep throat and it's just amazing. She's good fun to be with and seems to genuinely enjoy her job. I don't go in for fantasy role play stuff but during my hour with her we got talking about it and it seems she's really into it. So if any of you guys out there have the whole role play thing going on then from what she said to me I don't think you'd be disappointed. Overall Jo Jo is great company and one very sexy girl. Well worth a visit. Maybe next time I'll invent some fantasy thing for us to do.
