### The Premises:

As previous reports of the retreat. Safe, relatively quiet street. 1 min from Earls Court Tube. Spotlessly clean basement flat, waiting room and well equipped dungeon. Very comfortable and always made to feel welcome.

### The Lady:

Brunette, tall in heels, and wonderfully proportioned. High, firm breasts and sensitive nipples.

Slender but not skinny, with a great bum and fantastic long legs.

A very pretty girl next door. Genuine, mischievous, open, and extremely approachable. Smart and witty conversationalist, someone that you can really connect to (kinky imagination!).

### The Story:

This was my fifth visit to the retreat, and my first meeting with Danni. Wanted something a bit different to my usual order of domination, so I decided on a kinky girlfriend fantasy, and this was fulfilled perfectly. Danni is clearly adept at working to a variety of fantasy play.

Started with teasing on the cross and some (wicked) anal play. Followed by oral and great sex. Had some trouble climaxing with a butt plug in, but Danni was patient and even though time was running out, let me recover and have another (more successful!) shot - not a clock watcher at all, and it was great to be with someone who actually cared that I went away satisfied!

Overall, thanks to Danni for a great time - this woman should be rated alongside experts such as Penny. Planning my return as I write, as soon as I get the cash for a longer appointment.
