blonde and fabulous (i have seen her before) she lives up to the rep of being blonde. & she makes sure you always have a good time. (well me anyway)

The Story:

i was glad i booked the hour, ace back massage to start great body to body all the way down to my old chap, her OWO is to die for, deep throat (i could write an essay but i'm gonna keep it short) i returned the oral she came twice lovely taste i could have stayed at it all evening, on with the hat & she climbed aboard,slow pace to keep me going that extra bit longer, i asked for CIM and with a woosh i exploded into her warm mouth, she must have swallowed because i kept looking at her as my dick fell from her mouth she gave me that smile then snogged me (i could smell me but could not taste me). the best punt ive had, this is my 12th year of my hobby, ive only been doing field reports the last couple of years. thanks poppie, i promise i will get your name spelt right eventually.
