### The Premises:

Safe, clean, good location.

### The Lady:

Tall - very - must be 6 foot plus. Athletic.

### The Story:

I have had plenty of good experiences, some fantastic experiences and a just a few so so experiences. None have been a complete waste of money. I have never left early.

Until now.

She is very new to the scene and whilst being attractive enough particularly if you like tall, she has not got a clue as to what is required. She doesn't want to do it. No effort with personal presentation, chain smoker (I don't but that did not stop her), took a call for another appointment (hard luck mate whoever you are)...

If you are a kamikaze pilot, OWO, she might kiss (ugh). "No" to 69 and ...whatever. Just don't.

Total waste of time and money. Avoid and if you can't or see her as a challenge - encourage her to go home. Go visit Tina instead - no looker but happy performer.
