The Premises:

good clean place. rooms ok and all well decorated.

parked over road in choices...bit public to enter via front doors as on main road.

The Lady:

about 26, dark hair, fantastic figure.. would say a 10, with amazing breasts..a few tatoos and a couple piercings. good bum and nice legs

The Story:

went in room and told to undress, started with a massage...asked to role over where she then

started covered oral...wow..i was happily playing with her breasts as she sucked away..

then i asked if i could enter her..started in missionary and finished in doggy...looking at the tatoo on her back as i came..very very enjoyable and a fantastic time, will book her again when cardiff next releases me. may not bother with the massage next time though.
