### The Premises:

Area nice and safe , room small but clean

### The Lady:

More or less as expected ! slim with pretty face

### The Story:

This ee girl was top notch!! straight from the school of excellence. She must be one of the best french kissers in the business and i dont lie!! With excellent bbj control and technique. No position was refused or request denied ! If you dont belive me then find out for yourself, it is a shame that all EE girls are in the same class of ethics!!!
