### The Story:

when i e mailed agency last week i booked yasmine for 2hrs. subsequent phonecalls confirmed this. when i arrived yasmine said 2hrs was fine. got payment out of way started with reverse oral which she loved used a vibe on her and then fingers and more reverse oral. quite vocal and got v wet. then it went downhill. seemed v keen to get sex out of the way. wanted to rush through positions like she had to be somewhere else. told me she had cum 4 times and was exhausted i am an average joe not some studmuffin. went through mish doggy cowgirl and she finished me off with a frantic handjob. she offered me some money back which i took. i had paid 400 for 2hrs and got 150 back because i only had 40mins of fun. spent 20 mins getting changed and freshening up whilst she phoned her friends trying to find someone to have lunch with her. quite clear she only wanted a 1hr visit. not agencies fault she should have been honest from the start. bet i'm not the only person to feel cheated and robbed when leaving stamford bridge.
