The Story:

Stripped each other, very nice. Demi gave me a massage to help me relax. We then indulged in mutual oral (protected) but don't be mistaken this girl is a master at this skill and I could not tell I was wearing a condom. We then got down to some serious raunchy sex in various positions. I have been with Demi before but every time we meet it just gets better. This girl was full of life, energy and really enjoyed herself. We laughed and joked about at the end of booking. Left planning next visit!
