The Premises:

I've described Intimate Massage before, as have others. It's clean, welcomimng, spacious and comfortable. Staff are friendly and courteous. One pays at the door.

The Lady:

Very pretty young Thai masseuse. A little larger than some, but petite and dainty by any reasonable standards, with exceptionally pretty beasts. Was also wearing rather heavy ear & navel jewellery, which I found got in the way at times, but that's a detail. Her English was better than most, and she used it to good effect - a real charmer.

The Story:

Was offered a shower, which I turned down, and a drink (orange juice) which I saved for later. She began with a reasonably serious massage, followed by covered oral, cowgirl & doggy. Usual courtesies with disposal of condom. Conversation consisted mainly of exchanges of compliments, I suspect more sincere on my part than hers, but delivered with style and grace.

Incidentally, this is not my first report on this establishment, and is unlikely to be my last, as they have a comprehensive list - to be offered an immediate choice of 4 on a Monday is good going.
