The Premises:

The venue is easy to find and the parking is easy. It is close to the Hibs football ground and facing a good ?footballers pub? with Sky TV.

At the door you buy time with a girl: 30, 45 or 60 minutes. I opted for 30 minutes (?20 entry to the establishment). One of the girls showed me round- good showers, an actual real sauna (ha ha, but probably quite nice for the girls when they want to take time out) and good lockers. Even razors in case you want to shave. Rooms with Jacuzzi and mirror on ceiling- also porn movie if you want it (who would want it when the real thing is here).

The Lady:

A really nice girl from Poland with a huge but delicate tattoo on her back and a few piercings (a shiny stud to the right of her mouth and one on the tongue). She looked early 20s, medium height, her figure was slender and feline, breasts petite.

The Story:

She had a slightly nervy manner when we started (but was it me who was nervous?), then was very gentle when we got into the business. I helped her undress- I always find it an exciting part of the process, and soon she stood naked except for her fish net stockings. We started in some tender confusion, neither taking the lead. Then we got under way with fondling and mouth kissing. On the bed we did 69 and oral with a condom. I came very quickly.

After that we chatted- she has a very open personality and she is quick witted, laughs a lot and her conversation sparkles- her eyes are bright and expressive, the story of how she started the profession is a very good one which I won?t tell.
