The Lady:

Reeally beautiful. Pictures on the website do not do her justice because her face is blanked out. Has the most amazing blue eyes and smile that you are likely to see. Really nice figure too, again not fully justified by pictures.

The Story:

She was amazing. Just seemed to want to make you enjoy yourself. I have never been to this place before and if this is the standarf then i have to say i will most definitely have to return. Very intelligent very fit and very randy. Tried cowgirl, doggie, missionary, and she is a real stunner. and them EYES!! says her normal day is thursday. I would definitely return and highly recommend seeing her, she is better than sliced bread
