### The Premises:

A small but comfortable and clean terraced house. Nice location in a rural town, very safe and discrete, easy to find with clear instructions. The house was tastefully decorated with images and artwork depicting the Goddess and had a lovely ambiance, quite different from the typical "dungeon".

### The Lady:

Statuesque and elegant, with a curvy figure, delightful boobs and bottom. A very attractive Lady with striking dark looks and penetrating eyes, very confident and well spoken.

### The Story:

This was my first visit to Mistress Kali. It was my third visit to a Dominatrix and Mistress certainly made me see that i had been sold short before, this Woman is the real deal. On arrival i was ushered in and admit i was quite nervous. Mistress laid out the ground rules and had me kneel after stripping to my underpants. Mistress remained quite distant for a time, though i was captivated by Her and hung on Her every word, She certainly made me feel that i was the one who was going to serve, not She. When the time came for physical contact, it was like electricity coursing through my body, the briefest touch was arousing. Kneeling before Her, head bowed, She sat astride my back and used me to arouse Herself. i was then blindfolded and the experience truly began. Mistress chained my hands and lead me to another room where my hands were attached to the ceiling. Mistress then spanked me soundly, (She is quite strong) and then proceeded to drip hot wax on my bare bottom. This was quite painful and also pleasurable at the same time. Mistress then moved my hands to Her wonderful boobs which felt beautiful. i was allowed to blow out the candle after making a wish. The wish came true and after letting me down from my chains, Mistress had me kiss Her bottom whilst still blindfolded and i have to say, as a sub, this was wonderful. Her bottom is a peach and i could have kissed it all day. Mistress finally took off my blindfold and stood behind me. Looking in the mirror i was allowed to see Her perfect boobs as Mistress gave me my homework. Sex was not on the menu, but this did not matter, the whole experience was incredibly erotic and satisfying in a way only a submissive can appreciate. On leaving i was allowed to kiss Her hand and i have to admit, at that point i had already resolved to return. If you are a submissive and are seeking a true Goddess, one who knows what a sub needs, i cannot recommend Mistress Kali

highly enough.
