The Story:

Another great session with Pia.

Pia opened the door in Bra and panties, and after some friendly chat, started kissing (real GFE!). Our hands were all over each other, and when I slid my hand inside her panties - sure enough her pussy was wet and welcoming.

In return, she undressed and knelt down and started to suck my cock...very nicely.

Pia gives great oral, I mean the best, so best to have fun first as holding back is not easy when Pia's gorgeous mouth, lips and tounge to work.

So, I got my tounge working on her lovely pussy and clit, and soon had her moaning and cumming...Pia really does enjoy her job and is very highly sexed.

Moved into various positions, with oral inbetween, until I shot my load fucking her hard with her legs wrapped around me.

Great, thanks Pia.
