The Premises:

the flat is nice and clean and the maids are always friendly, it is near harrow on the hill, you can park in the drive way opposite (phone for details) it was very safe but not too discreet, they have clean washroom facilities as well. i've been here many times before and always found it comfortable

The Lady:

absolutely GORGEOUS, lovely natural big breasts with a lovely shape to them, nice slim waist and body which made the breasts look even bigger, they are very firm and stand up on their own hee hee. she had lovely smooth skin and smelt beautiful, nice pretty face and smile, she told me she was from lithuania. the only girl i can compare her body to is KEELEY the page three girl in the sun newspaper, i ain't joking, maybe even better. absolutely awesome. she looks like she's out of a porn magazine

The Story:

we started off by her giving me a back massage, which felt like she was giving no effort to it at all, i then turned over and wanted to suck her tits and she just lied there with no response, she wouldn't let me enter her with my fingers, there was no touching from her side, i kissed her over her body and she just lied there motionless, eventually she held my dick and put on a condom, i was half floppy and she didn't even do anything to make me hard, she started to give me oral which was probably the best thing about this punt. i then got on top and had sex in the mish, it was lovely seeing those breasts bouncing around they are so lovely.

this girl seems very young and naive and doesn't put her heart into the job, she seems like she's only doing it for the money, the only thing that turned me on was looking and feeling her body, she never tried to turn me on. it's a shame because she is GORGEOUS and definitely my type, i've never had a complaint about any of the girls in this place but Sara's service was not up to scratch. i think Zoe is one of the hottest girls they have got there. i would recommend going to see Sara if you're easy going and like to be in the company of a woman with a beautiful body, but personally i prefer someone with a lot more enthusiasm and energy.
