Very attractive slim blonde, English, mid 20s maybe.

### The Story:

Tia had a really nice manner, she was absolutely gorgeous. The establishment seemed to be well run and had an informative website. One of my best punting experiences. Though I haven't been to madam beckys yet, looking at other FRs these 2 places seem to have MK sewn up, and more power to them I say. Why is there nowhere like this in Luton? ie. informative up to date website, choice of girls, clean, professionally run, no prison cell door slammed behind you once you are in that someone has to come and unlock when you want to leave. I can't believe some of the crap that Luton punters are expected to put up with for the same price.
