The Lady:

Lovely lady, approx 5'3" Size 10 34DD boobs blonde and gorgeous with a great sense of humour that puts you at ease.

The Story:

Kissed upon arrival and was then guided upstairs. After a minute or two of chatting we were soon cuddling and I was licking her gorgeous breasts and sensitive nipples. Helen then helped undress me before I licked her shaven pussy and fingered her other tight hole. After further hugging, kissing and receiving a very sensitive BBBJ she asked what I wanted to do next. After saying 'Ride me', I lay on my back as she sat on me and then deftly eased me into her glorious arse and rode me like there was no tomorrow. My, she is one hot lady who aims to please. The hour was soon up but the priceless memories will always be there. So . . . until the next time.
