The Premises:

Premises very clean and safe. Location can get very busy with office workers, however entrance very discreet.

The Lady:

Accurately described on website. About 5'7, slim and busty. Great body very pretty face.

The Story:

Even though I arrived late and in her words 'it has been a very busy day', she was very nice, willing to please and made a great effort with me.

She gave me a strip and a very nice oily massage followed by oral and full sex.

Admittedly the oral was not the best I've had and during sex she was holding my pelvis close to hers so I could not bang her nice and deeply. However i guess it was late and she was probably sore down there anyway.

Overall it was most pleasant, sara is a lovely sexy and nice girl.
