The Premises:

Nicely appointed flat in central location near Baker Street tube. Very easy to find, and would think it would be safe any time of the day.

The Lady:

4 Ladies present - Sarah, Kirsty, Melissa and Nicole

All were very friendly and individually attractive in subtly different ways.

The Story:

This was my first time at an LMP party and I was feeling a little nervous having had a so-so experience at a less well organized event near Wycombe a few years ago. However I had great time. Moss, the girls and my fellow party goers were all friendly people and I was able to experience the charms of Melissa, Kirsty and Sarah during my time there. I had to bunk off early due to other commitments so wasn't able to spend any time with Nicole. I'll definitely be attending another party here soon as I found the whole thing very stimulating.
