The Lady:

Candy is a very very petite girl from Korea, she is very slim and around 5 feet tall, but with nice boobs, she has a really nice body and an extremely innocent look about her and I was extremely turned on by her.

The Story:

She started off by taking off my clothes followed by a very very good bbbj until I shot my load over her face. Then I fingered her pussy and then rubbed my cock between her tits before turning her over and pounding her doggy style. Flipped her over to mish before putting her on top of me and having her ride me cowgirl to climax. She is very light so you can really fuck her in ways you can't fuck other girls and don't let the innocence fool you this girl knows what she is doing. I can't wait until I see her again.
