The Premises:

Great location, though was a bit of a walk from the nearest tube station. Lovely apartment which was clean and tidy.

The Lady:

Cute, even nicer than her photos. Slim, and nicely tanned. A really beautiful young woman.

The Story:

Kristina has to be one of the sweetest girls I've ever met. She always wants to make you feel comfortable and happy, and will do almost everything to make that happen.

Most services were offered, though we spent so much time talking that we only got round to some deep kissing and cuddling on this occasion. Previously, the sex was excellent, a really enthusiastic performance by her.

A true GFE with a great girl. Real shame she is going back to Russia soon.
