The Premises:

Usual City Girls/HOD flat, clean, tidy, easy parking etc.

The Lady:

Exactly as per her pictures. Very pretty, big breasted slovakian girl. Poor english.

The Story:

Very attractive girl dressed in immaculate white underwear. Kissed softly all over, bt was not keen on passionate kissing. Good, but shallow owo. Sex was average, a bit mechanical and unenthusiastic. We returned to owo and finished with an enthusiastic cim with swallow - very nice indeed. For the last 15 minutes she gave me a lovely massage, that was one of the best bits. I guess the main problem here was that we did not really click, and she was not up to my expectations. Others may find her more attractive than I did. I prefer many of the other girls at CG and HOD and will not go back to her.
