### The Premises:

She lives in a nice area - Very safe, loads of hotels and hostels in the area. Her place was a little hard and the building is undergoing refurb, but it didn't interfere with anything. The place was kind of like a hotel rather than flats. The buzzer is not quite finished so had to get someone else to let you in but the place had so many rooms you don't really feel that Conspicuous.

### The Lady:

Pretty much as you see on the site. Petite girl in GOOD shape. Nothing glaringly different from photos. Obviously a bit polished but then they all do that and it should be expected.

### The Story:

The most friendly girl I have met doing this. Set you at ease from the minute you step in the place. Really hospitable offered a drink, shower all with a radiant smile. Her English his Excellent. I am now sure Brazilian, Spanish and Italian girls are the way to go - warm personalities from warm countries.

DFK, OWO all on offer and she likes it if you go down on her...no fingers. very responsive. Cuddley throughout.

Total GFE. After round 1 we chatted so much I didn't get chance for round 2, gonna have to stop doing that its a expensive bad habbit.

So didn't try her 'A' levels or anything but my fault. I've got to go back and try the duo though with Sabrina :-)

Agency was also very nice and will use them again.
