### The Premises:

terraced house loads of easy parking very discrete

### The Lady:

the photos on her web site do not do her justice her boobs are even better in real life a body to die for.

### The Story:

she firstly performed the most erotic lap dance ever kissing licking and thrusting her boobs into my face. It got hotter as she fingered herself with 2 fingers before licking them clean followed by a very sexy toy show. She encouraged me to use the toy on her whilst we french kissed. Followed by excellent oral without and 69.

On with the condom then Paris on top fantastic with her talking very dirty and licking her own nipples till i came. Followed by a very pleasant 10 minute chat, a lovely lady. Definately reccomend superb VFM
