The Premises:

Detached place in a village outside Maidenhead. Off street parking. Very nice interior.

The Lady:

In her early fifties grace is ideal if you are not after the stick insect type. She has a good figure a bum to die for(If you like that kind of thing).

The Story:

Grace is excellent in the bedroom. After some very nice kising and cudling I wasted no time in going down on her sweet tasting pussy. After getting her nice and wet I really fancied a good hard fuck of her pussy. After round one we had a nice chat and a hug(No nasty crap massages here) Grace helped the bold avenger up with a covered blow job before round 2 which ended with me shotting my load doggy style in her lovely pussy.
