The Story:

What a wonderful time! I know it sounds like a cliché but meeting Pru is like being with an old friend. She has a fantastic body and is incredibly skillful, but it's her warm personality that shines through and leaves you with a smile on your face.

We started chatting about music and life in general and then had a shared shower. After that it was into the bedroom for some DFK and inspired 69 followed by fantastic mish. The feeling of Pru's curvy body all around you whilst her pussy grips you tightly just has to be experienced. After finishing we lay quietly in each others arms and chatted until it was time to go.

To be with Pru is to be with a warm, witty, intelligent, articulate and caring person and the term "GFE" just doesn't do her justice - her body is awesome, her persona is inspiring, and she's just great fun to be with!

Thanks, Pru, for sharing it all with me and I look forward to seeing you again soon. Luv Tony xxx
