The Premises:

Many previous reports describe what must be the best parlour almost anywhere, comfortable and extremely clean.

The Lady:

Tall and slim, with darkish brown hair with a very slim waist. Peaches has a great pair of breasts and she is extremely quietly spoken but its nothing personal!

The Story:

I had been wanting to pay a visit to see Peaches as I had only spent time with the gorgeous Tiffany so a change was in order!

Peaches is very quiet but guys this is her nature so dont feel put off.

A very good massage started and some excellent pressure in the right places to provide some stimulation. The initial OWO was very very good indeed and I was in danger of ending a tad prematurely!

Some reverse oral was in order and judging by the look of Peaches face she did enjoy it as well. Then a little more OWO and then on with the jacket for some excellent doggie which had the necessary result which was great!

She is a great girl and very good at what she does too!

Head Office has some great girls and next without doubt will be Chloe who looked stunning in pink boots and I hope your day improved!

Nice one....
